

Underage Drinking Prevention Tip o' the Month

MARCH

Don't leave it to luck! *Building relationships with the parents of your teen's friends doesn't happen just by chance.*

HOW?

- Go to the door to say 'hello' when dropping your teen off at a friend's house
- Take advantage of events—ask your teen to introduce you to their friends and their friends' parents
- Get a number. Talk directly with parents about what's happening at their houses.
- Suggest, "Do you mind if I check in with you? It's easier to know what they are doing if we are all talking. We encourage you to call us as well"
